## About Us

---

14Digital aims to be a leader in the next-generation digital world. We enable clients across several industries to navigate their digital transformation. The company aims to transform manually operating businesses into digitally advanced companies.

## What We Do

---

**14Digital** is embarking its presence by supporting businesses in their digital needs through

- ✓ Providing consultancy services to struggling businesses
- ✓ Fulfilling IT needs of small companies
- ✓ Ensuring the digital transformation of conventional businesses on to digital platforms

# Our Services

---

01

## Web & Mobile App Development

Our team of experts are experienced in developing web and mobile applications for multiple platforms, including Android and iOS. We specialise in building customised platforms.

02

## Digital Strategy

Want to assess your marketing campaign? Want to improve sales and lead conversion for your business? Let us help you in assessing your audience and your competitors.

03

## Digital Media Marketing

We take pride in delivering promising results by bringing traffic and converting leads. With a dedicated account manager for each client and digital marketing experts as our staff, we ensure the delivery of high-quality service in desirable time.

04

## Web & Graphic Design

We work to deliver high quality, innovative and cost-effective design solutions to help our clients in moving their business forward. Our professionals are experts in providing a portfolio that speaks.

05

## Digital Transformation

We serve your business by opening a new world of possibilities to enhance your organisation's infrastructure by overcoming every digital challenge efficiently. We deliver strategic digital services.

06

## Social Media Marketing

Let us come up with strategies and manage your social media handles. You think that converting a lead through social media is difficult? Well, you have not tried our social media marketing strategies yet.

# UI/UX Web & Mobile Apps

## Carehub

Carehub is a digital care management platform that provides monitoring of carers, logging in and out, medication and task changes, to reviews, and automates the process of assessments. It is a more effective way to schedule care calls and monitor.

## Sheikh Mohammed Al-Hilli

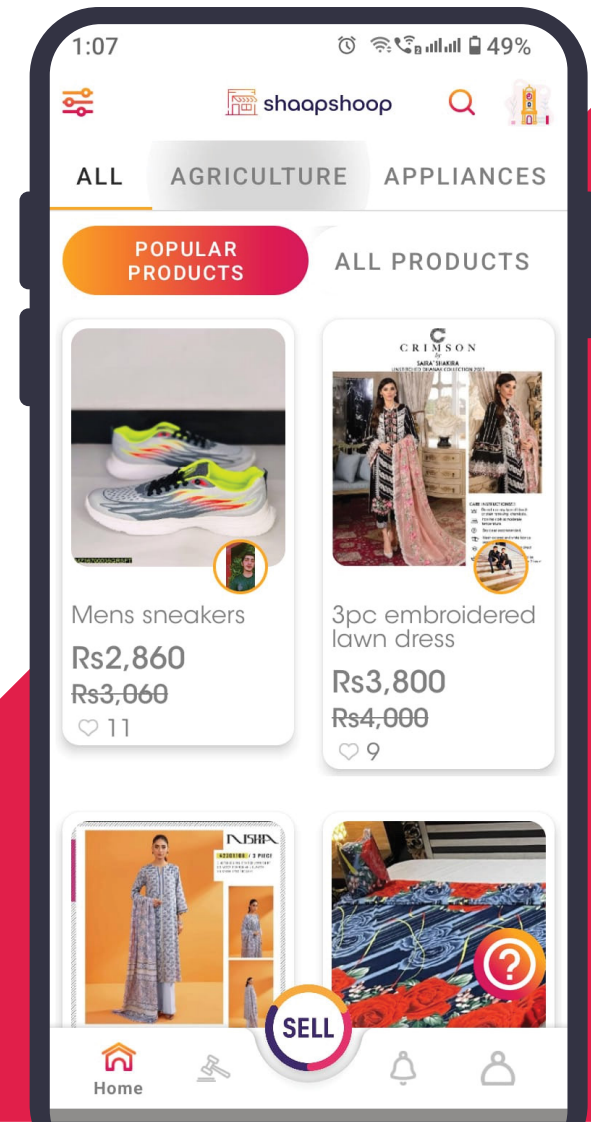

Welcome to the official app of Sheikh Mohammed Al-Hilli, your gateway to a wealth of knowledge and inspiration. This app offers an array of exciting features, including hundreds of lectures and thought-provoking short clips, exclusive ziyarah resources, live Q&A sessions, and the ability to submit your questions while exploring answers to hundreds more.

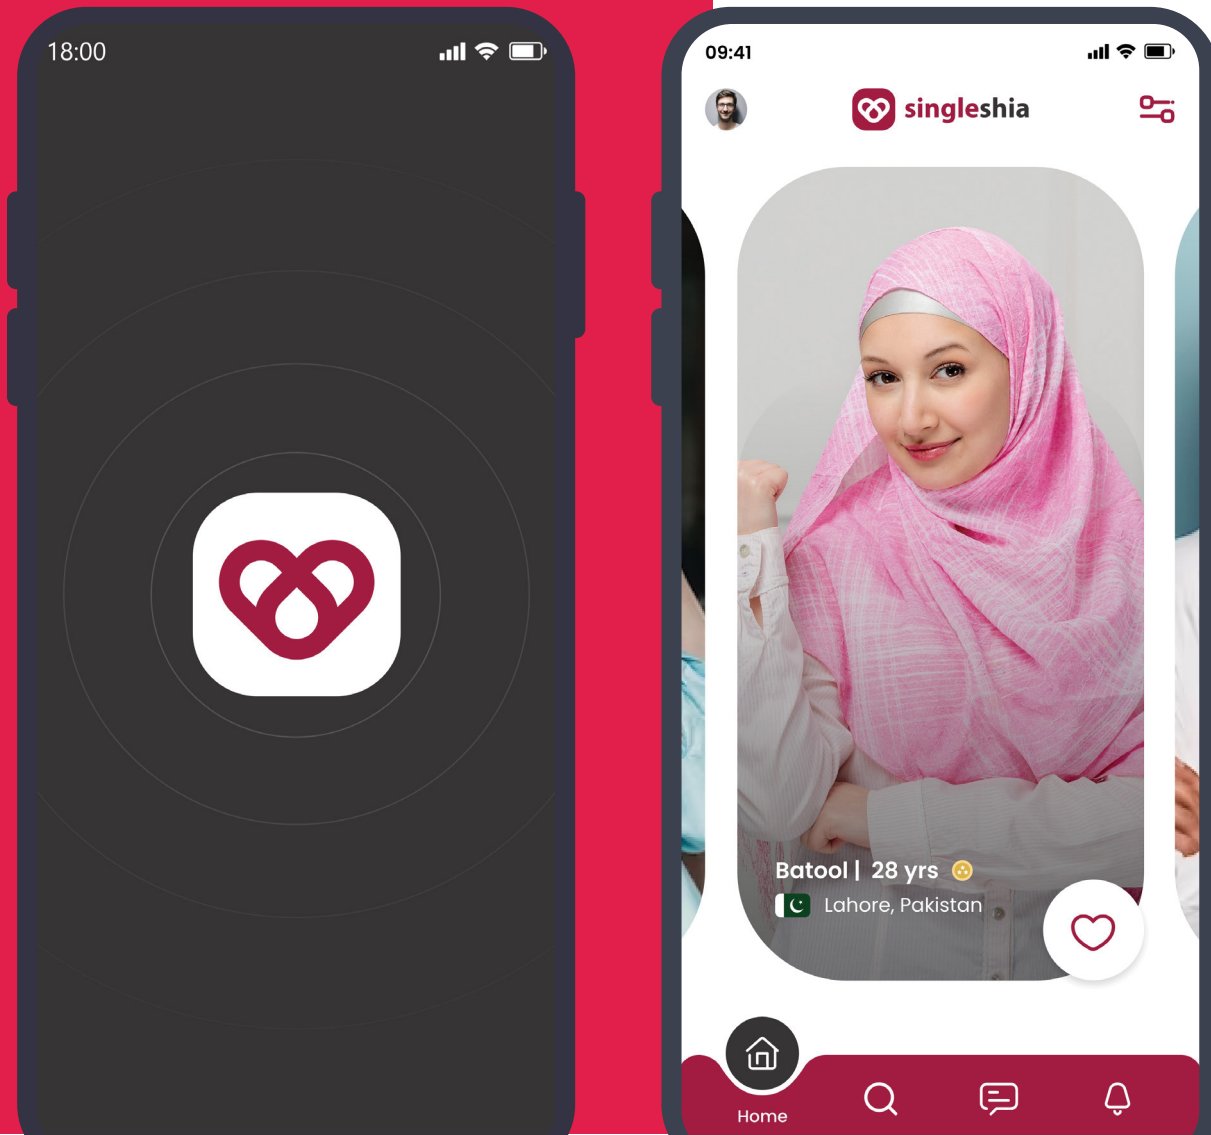

# ShaapShoop

ShaapShoop is a powerful and feature-rich online shopping app that provides an opportunity for everyone to be in a vibrant marketplace. It is the leading online buy and sells shopping platform in UK, USA, Canada & Pakistan, enabling users to get access to everything they want ONLINE. Most importantly, you can buy and sell online from one single account and can create your own social networks of like minded buyers and sellers, allowing you to contact each other frequently.

## SingleShia

We understand the challenges to find a perfect match in our communities and while developing SingleShia we have kept this in mind. Our users are at the heart of our design & development process and we have achieved this by focusing on usability and privacy. Your search to find your soul mate should stop at SingleShia.

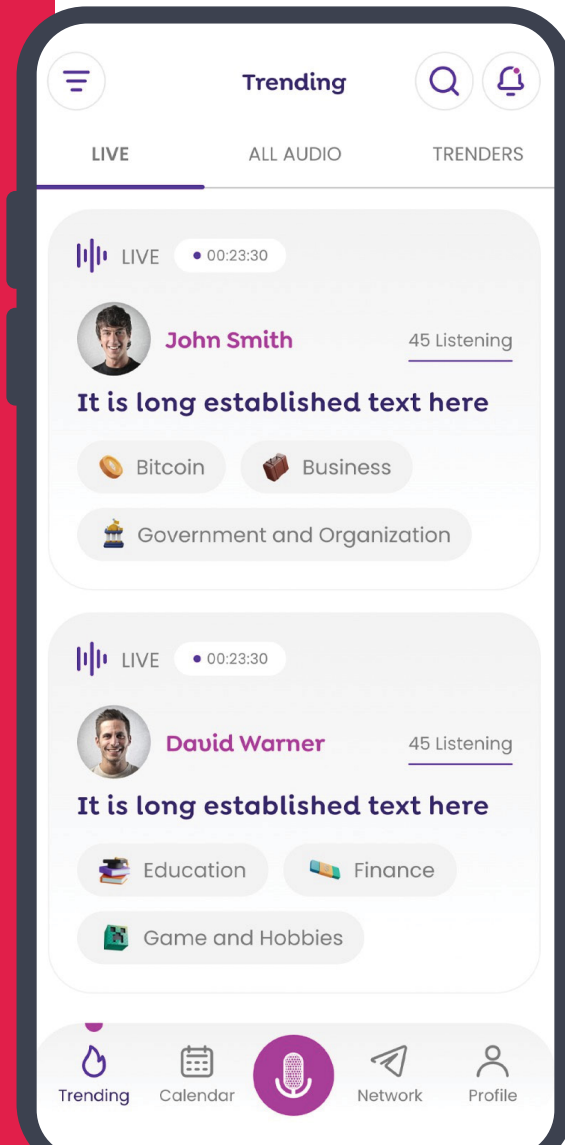

# Shia PrayerPad

The importance of Salah is undeniable in Islam. Salah, the second pillar of Islam, is a primary way to connect to Allah. It creates a spiritual bond between the individual and Allah. Salah is the most significant mainstay of Islam after the Shahadah.

## Talk

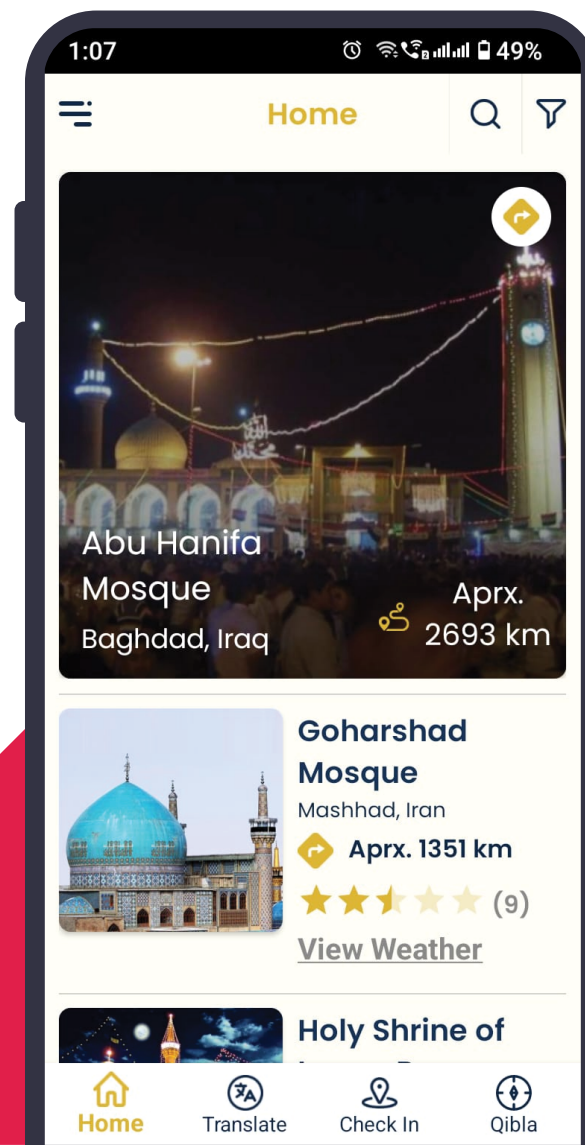

Talk is a revolutionary podcasting platform designed to transform the way users engage with audio content. With a user-friendly interface and a robust set of features, Talk offers a seamless experience for both podcast creators and listeners.

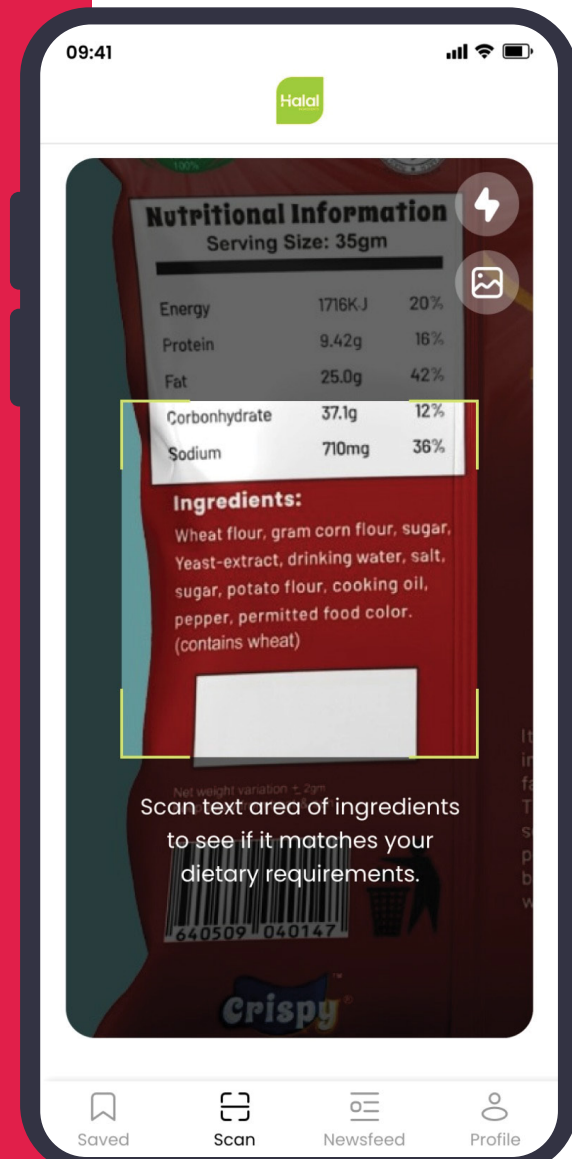

# HolyDays

Welcome to HolyDays, the all-in-one app for discovering famous Islamic holy places around the world. With our app, you can explore the rich history and culture of Islam by locating and learning about the significant landmarks and pilgrimage sites.

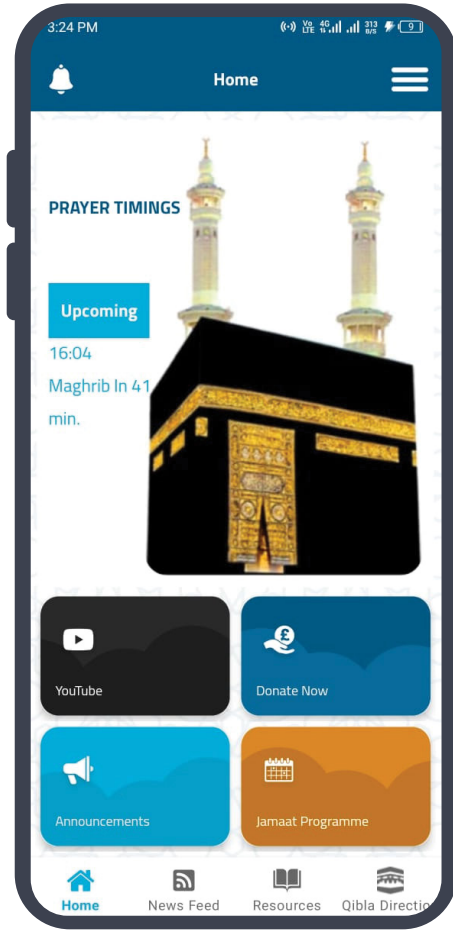

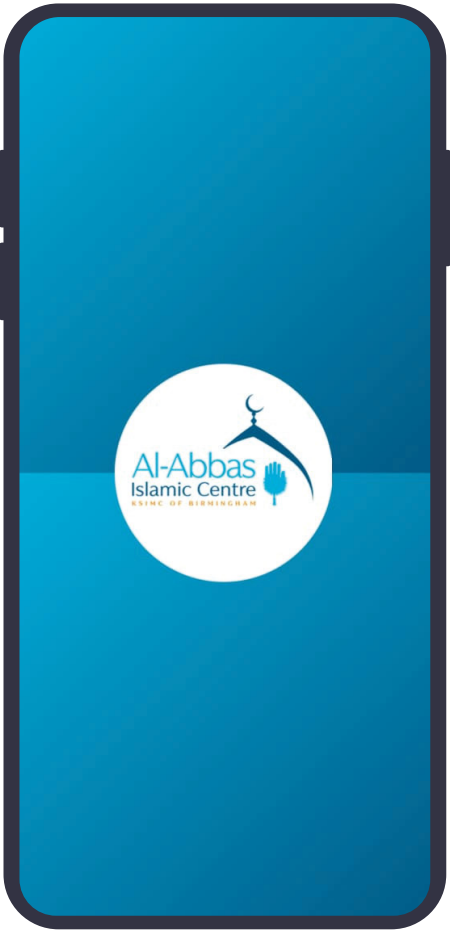

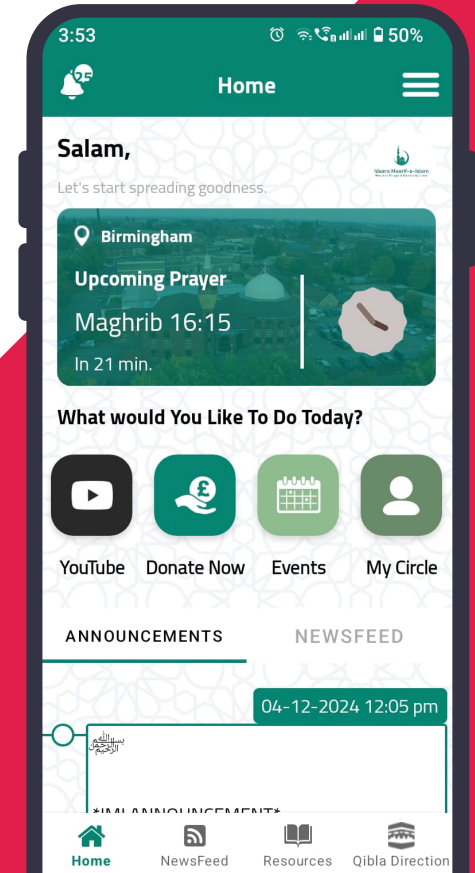

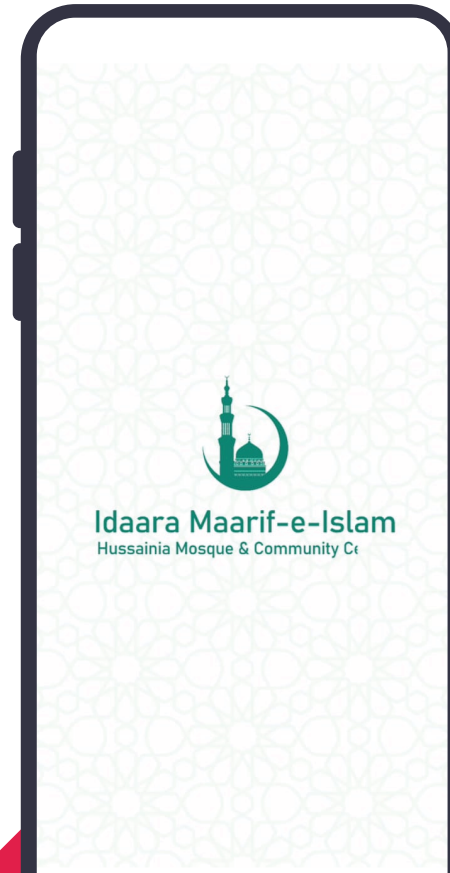

## Halal Ingredients

Introducing the Halal Ingredient Checker, an app designed to help you effortlessly determine the Halal, Mashbooh, or Haram status of products by scanning their ingredients. Our focus is solely on ingredients, ensuring accurate results without the need for scanning barcodes or additional information.
